

## *May 25th Meeting Highlights*

### **General Updates**

The Board approved Resolution 05-03-21 "A Resolution to object to the renewal of a liquor permit of Mark and Francis Mills dba Musical Inn, aka The Cove- Canton, 3941 Navarre Rd SW Canton Township (Liquor Control Permit Number 60189690030, Agency Number 00822

The Board approved Resolution 05-05-21 "A Resolution to object to the consideration on appeal concerning the renewal of a liquor permit for Brick City Lounge, 2820 8th Street NE, Canton Township (Liquor Control Permit Number 095115, Agency Number 00822)."

The Board referred follow up of various concerns related to the operation of the Thirsty Cattle Saloon to township zoning and legal counsel.

Approved a random drug testing policy that encompasses all township employees who drive vehicles on a regular basis, including CTFD, zoning, and any non ODOT licensed Public Works staff. Previously, random testing only occurred with ODOT licensed staff. The Board of Trustees believes this policy helps ensure for the community all employees are operating vehicles free of any influence and promotes the best in safety practices as possible. This is another additional step that can help reduce related insurance premiums for taxpayers as well.

Faircrest St SE will be closed between Cleveland Ave and Central Ave beginning June 1st for 75 days. Crews will be restoring a bridge and there will be no through traffic (detours will be posted). At conclusion of this bridge replacement, a mutual grant request in collaboration with the Stark County Engineer's Office and Canton Township with the Ohio Public Works Commission will result in Faircrest ST SE from Central to Belden and Central from Faircrest and Baum repaved. **This grant will save Canton Township taxpayers approximately 74% the normal cost to repave these roads!**
