

## *May 2nd Meeting Highlights*

### **Good Neighbor Bill Wright**

Bill is everything you want in a neighbor, friend, and community member. My husband and I have lived beside Bill and his wife Pam for over 17 years. In that time, he has helped us in so many ways. It seems as though Bill is always in the right place at the right time. Keeping a watchful eye over all of the neighbors. A couple of months ago our elderly neighbor lady across the street that lives alone had not done her usual daily routine. Bill had noticed because he keeps a watchful eye on her due her age and being alone. Something had told him to check on her and when she did not answer the door, Bill called the Sheriff for a welfare check. When the Sheriff arrived and went into the home, they found her on the floor where she had fallen from the night before and was unable to get up and call for help. If not

for Bill, who knows how long she could have laid there. We always joke that why are we paying for our security camera service when we have a Bill. He is extremely dedicated to this community and has been a big part of helping it grow. Bill retired from Timken and then started driving bus for Canton South. He was loved by the kids and everyone was so sad when he decided to retire from driving bus to stay at home to take care of his wife and spend more time with his family. Bill was a part of the Men's Club until it was disbanded, helped with the basketball scoreboard, and still helps with the JV and Varsity football scoreboard. *Nominated by The McGuyrt Family~ Heather, Jason, Grady and Gavin*
