

March 5th Meeting Highlights

Public Works Department

The Public Works Director began initial discussions regarding the 2024 road surfacing program options and road striping plans.

As of the 3/5 meeting \$16,550 in donations have been raised for Community Day 2024. Thanks to the generous donations from local business and residents this has become an annual event hosted in Faircrest Park.

Construction has begun on the new amphitheater at Faircrest Park. The construction area has been fenced off. The project is expected to be completed the beginning of June.

Zoning Department

Todd Miller was hired as Canton Township's new Zoning Compliance Director replacing Mike Hanshaw as he retires at the end of this month. The extensive interview process included many quality applicants and representation from the Board of Trustees, Fiscal Officer, the Chairpersons from the Canton Township Zoning Commission and Board of Zoning Appeals, and Assistant Zoning Director. We congratulate Todd and welcome him to our team!

The Zoning Commission will conduct a public hearing on March 28th at 6:00pm to review a proposed text amendment to the Canton Township Zoning Resolution regarding adult establishments. This text amendment will add zoning regulations similar to nearby communities. Stark County Regional Planning will review the text and make recommendations.

The Board approved the Thrasher Group to create a bid package for the demolition of North Industry School.

General News

The Board approved Resolution 03-01-24 to support the creation of a community reinvestment area in the Northeast part of Canton Township (Lincoln Way/ Trump Rd area).
